WHY IT MATTERS:

Merry-go-round is a social enterprise and registered charity dedicated to helping local families. Our aims are threefold; to save local families money by offering great children's goods at low prices, to support local families on low income with free goods and to provide employment and volunteering opportunities in the local community. We have a gorgeous shop in the Southside of Glasgow that stocks everything baby at low, low prices. We save families money with fabulous, high quality, pre-loved children's goods at a fraction of the original price. We have our Carousel programme working with local agencies to help families on low income. We currently have over 160 registered partners including local Health Visitors, British Red Cross, Govan Help, Women's Aid, Freedom from torture and Govanhill Community Development Trust. Our partners access free goods for the families that they work with through our online referral system.

Our donations are at the heart of everything we do at Merry-Go-Round. Without the generosity of our customers, we wouldn't have our boutique store or any goods to give out through our Free Carousel Programme. The amazing work of the Donations Team not only helps us to keep the shop fresh and interesting, but is crucial in ensuring we are able to meet the needs of some of the most vulnerable families in Glasgow. We are always striving to increase people's confidence in buying pre-loved, and our Donations Team works to REVOLVE certified standards to ensure our customers get the very best shopping experience and highest quality goods. You're also helping to keep tons of usable clothes, toys, books and other essential equipment from landfill every year. Learning about how the Donations Hub works gives you insight into every aspect of the business and is the best way to find out what makes Merry-Go-Round go round!
