- Regular opportunities to try out other volunteer roles within the organisation
- The chance to work within a friendly and caring team in our beautiful boutique style shop
- A fun, busy, sociable and pro-active volunteering experience that has a big impact on your community and the environment

WHY IT MATTERS:

Merry-go-round is a social enterprise and registered charity dedicated to helping local families. Our aims are threefold; to save local families money by offering great children's goods at low prices, to support local families on low income with free goods and to provide employment and volunteering opportunities in the local community. We have a gorgeous shop in the Southside of Glasgow that stocks everything baby at low, low prices. We save families money with fabulous, high quality, pre-loved children's goods at a fraction of the original price. We have our Carousel programme working with local agencies to help families on low income. We currently have over 160 registered partners including local Health Visitors, British Red Cross, Govan Help, Women's Aid, Freedom from torture and Govanhill Community Development Trust. Our partners access free goods for the families that they work with through our online referral system.

The amazing work of our volunteers not only helps us to keep the shop fresh and interesting, but is crucial in ensuring we are able to meet the needs of some of the most vulnerable families in Glasgow. We are always striving to increase people's confidence in buying pre-loved, and our volunteers work to REVOLVE certified standards to ensure our customers get the very best shopping experience and highest quality goods.

Does this all sound like something you would like to get involved with? Get in touch via our online form and a friendly member of our team will be in touch.
